*Cadets participate in a variety of fun and challenging activities that promote physical fitness, leadership, confidence and friendship. The program is 100% FREE for youth ages 12-18! It is the largest federally funded youth program in Canada, and Canada's best kept secret! Every cadet has the opportunity to go flying, every training year, with some top Seniors earning their Glider and Power Pilot wings, without paying a dime! One in five private pilots in Canada were ex-Air Cadets and 67% of commercial and airline pilots began as Air Cadets.*
